Soul Therapy Meditation Process

- A private room is provided for one hour Soul Therapy Meditation.
- A Metatron Magnetic Mat connected to Vajras
- During meditation Buddha Maitreya's Soul Therapy music plays and serves as the focus of the meditation.
- It is a major part of the personal and planetary healing process.

Soul Therapy Meditation system

- Soul therapy is a transmission of Blessing from Buddha Maitreya, the combining of his Prayers and Invocations and sacred application of the Science of Geomancy.
- Soul Therapy becomes the Blessings of Buddha Maitreya on a Personal and Planetary Healing that awakens the Planetary Soul Collectively.

The 7 Rays and the 7 Chakras Ascension of Lower Chakras with Upper Chakras

Advantage

- The person experiences a joyful change in their life aligning more and more with the Soul and an experience of a more caring and sharing attitude is the result.
- By providing Soul Therapy at a sacred Site like Swyambhu, it is very important for the transmission of Buddha Maitreya past life lineage and the ability to bless World
